

Metal Mate 20 x 10 x 2mm x 1m Aluminium Rectangular Tube

METAL DIMENSIONS

Description

Metal Mate 20 x 10 x 2mm x 1m Aluminium Rectangular Tube is a silver-coloured aluminium tube with a uniform rectangular profile tailored for technical applications. It offers reliable performance for structural frameworks and precision assemblies in trade projects. Designed for ease of integration and consistent material dimensions, it provides practical benefits to professionals who require dependable support for their technical installations and fabrication tasks.

Features

- Precision machined aluminium for high dimensional accuracy
- Rectangular shape supports uniform load distribution
- Silver finish enhances corrosion resistance and visual clarity
- 20 x 10 x 2mm tube size fits design requirements
- One metre tube length facilitates flexible application use
- Engineered aluminium ensures lightweight strength and durability
- Metal Mate provides consistent quality and technical precision
- Aluminium material contributes to efficient maintenance and longevity

Product Code: 5951

General

Product Type Rectangle Tubes

Appearance

Product Shape Rectangle

Product Colour Silver

Construction

Product Material 1 Aluminium
