Metal Mate 25 x 10 x 2mm x 1m Aluminium Rectangle Tube

Description

Metal Mate 25 x 10 x 2mm x 1m Aluminium Rectangle Tube is a silver-finished aluminium rectangle tube designed for precision fabrication and layout projects. It offers a consistent rectangular shape with standard dimensions for reliable structural support and design flexibility. The tube is engineered to provide a lightweight, yet robust, profile that caters to the practical needs of trade professionals in various technical applications.

Features

- Precision extruded aluminium ensures high structural integrity
- Consistent dimensions with 25 x 10 x 2mm cross-section
- Robust construction using quality aluminium for reliable performance
- Versatile silver finish complements various design applications
- Uniform rectangular form provides ease of integration in projects
- Lightweight yet durable metal construction for efficient handling
- Standard 1m length supports precise component fabrication
- Simple straightforward design aids custom fabrication work
