

Description

Metal Mate 20 x 12 x 1.4mm x 3m White Aluminium Unequal Angle offers a structured and precisely engineered solution that meets the practical needs of trade professionals. Constructed from white aluminium, this L-shaped unequal angle provides accuracy in assembly and support tasks. Its measured dimensions offer dependable performance while supporting efficient construction processes and technical installations in various settings.

Features

- Constructed from premium aluminium for enhanced durability
- Precise 20 x 12 x 1.4mm profile for accurate applications
- White finish ensures a clean and modern appearance
- Unequal L shaped design for versatile structural support
- Consistent dimensions deliver reliable and repeatable performance
- 3 metre length supports wide-ranging project requirements
- Engineered by Metal Mate for robust construction and handling
- Ideal for precision engineering and trade project tasks

Product Code: 6020

General

Product Type	Unequal Angles
Appearance	
Product Shape	L-Shaped
Product Colour	White

Construction

Product Material 1	Aluminium
--------------------	-----------

Dimensions

Product Thickness (mm)	1.4
Product Height (mm)	20
Product Width (mm)	12
Product Length (mm)	3000
