Metal Mate 20 x 20 x 3mm x 3m Aluminium Equal Angle

Description

Metal Mate 20 x 20 x 3mm x 3m Aluminium Equal Angle. This L-shaped equal angle is crafted from aluminium with a silver finish designed to offer accurate support and alignment for fabrication and assembly tasks. Its consistent cross-section and reliable dimensions provide value by simplifying structural configurations and ensuring precise fitting for trade professionals. The product's straightforward design aids in achieving dependable load distribution and improved spatial efficiency in various assemblies.

Features

- Precision engineered L-shaped angles guarantee accurate assembly
- Manufactured in durable aluminium ensuring reliable performance
- Consistent equal angles provide strong secure framework joints
- 20 x 20 x 3mm dimensions for precise fitting
- 3m length design for extended structural applications
- Smooth silver finish offers a clean modern appearance
- Engineered for easy installation with precise angular consistency
- Uniform quality control ensures dependable long-term usage

Product Code: 6503
