

Easyroll 6.50x8" Pneumatic Butyl Rubber Tube Spare 230kg

Description

Easyroll 6.50x8" Pneumatic Butyl Rubber Tube Spare 230kg is built with durable butyl rubber to provide a reliable replacement for wheels rated 650X8 / 6.50-8. It is designed for precise fitment on inner tube wheels with a plain bearing configuration. Its black finish and robust construction support consistent performance both indoors and outdoors, making it a practical component for professionals managing maintenance and replacement of wheel systems.

Features

- Constructed from high-quality butyl rubber
- Designed for 650x8/6.50-8 wheel compatibility
- Supports a load capacity of 230kg
- Engineered for practical tube replacement
- Suitable for both indoor and outdoor use
- Compatible with plain bearing assemblies
- Easyroll brand ensures reliable tube performance
- Engineered for robust performance over extended service intervals

Dimensions

Tread Width	165
