Metal Mate 16 x 16 x 1.6mm x 3m Aluminium Equal Angle

Description

Metal Mate 16 x 16 x 1.6mm x 3m Aluminium Equal Angle is a precise, L-shaped aluminium profile designed for accurate framing and reliable support in technical assemblies. Its uniform dimensions and neat silver finish facilitate easy alignment and robust construction in various projects. Built from high-quality aluminium, it offers consistent performance and durability, making it a practical component for trade professionals seeking dependable structural solutions.

Features

- Constructed from aluminium for reliable strength and longevity
- L-shaped profile provides consistent geometry for precise construction
- Equal angle design simplifies alignment and installation tasks
- Silver finish offers a neat and professional appearance
- Available in 3m length for versatile project applications
- Dimensions of 16 x 16 provide a stable, balanced structure
- 1.6mm thickness supports robust load bearing performance
- Designed for straightforward integration into various construction projects

Product Code: 6511
