Metal Mate 12 x 12 x 1.4mm x 3m Black Aluminium Equal Angle

Description

Metal Mate 12 x 12 x 1.4mm x 3m Black Aluminium Equal Angle is a precision-engineered structural profile made from aluminium that offers consistent dimensional accuracy and durability. Its L-shaped design provides straightforward integration into various frameworks and applications. The product's technical specifications suit the needs of trade professionals, providing an effective solution for creating stable support structures and fabrications with clearly defined benefits in strength and weight management.

Features

- Compact equal angle design optimises structural reinforcement
- L-shaped profile supports precise alignment in assemblies
- Durable aluminium construction provides strength and longevity
- Black finish offers a neat, professional appearance
- Consistent dimensions ensure accurate, reliable installations
- Lightweight profile facilitates easier handling and installation
- Precision-crafted edges support exact joint alignment
- Versatile design adapts to diverse assembly techniques

Product Code: 6551
