

Description

Metal Mate 20 x 20 x 1.5mm x 2.4m Aluminium Equal Angle is a precision-engineered L-shaped aluminium profile with a silver finish. Designed for reliable structural support, its consistent dimensions enhance assembly accuracy and ease of use. The profile offers durability and adaptability in technical applications, providing a practical solution for professionals requiring precise components for construction, fabrication, and custom machinery projects.

Features

- Constructed aluminium equal angle offers superior durability
- L-shaped design enables robust support applications
- Dimensions of 20 x 20 mm with 1.5 mm thickness
- Finished in silver for a professional aesthetic
- 2.4m length fits a variety of project needs
- Engineered for precision in right-angle applications
- Wide utilisation in frames, bracketing and support structures
- Sport a clean, modern look from quality Metal Mate production

Product Code: 6652

General

Product Type Equal Angles

Appearance

Product Shape L-Shaped

Product Colour Silver

Construction

Product Material 1 Aluminium
