Metal Mate 12 x 12 x 3mm x 1m Silver Aluminium Equal Angle

Description

Metal Mate 12 x 12 x 3mm x 1m Silver Aluminium Equal Angle is a durable L-shaped equal angle made of aluminium in a silver finish, designed for secure framework applications and precise assembly in various trade projects. Its accurate dimensions facilitate reliable connections in custom designs and modular systems. Expertly engineered for predictable performance, this product offers ease of integration into existing structures, supporting professional craftsmanship and ensuring design accuracy for trade professionals.

Features

- Precision engineered L shaped aluminium equal angle design
- Robust lightweight aluminium construction providing reliable structural support
- Accurate consistent dimensions for efficient assembly and fit
- L shaped profile optimised for bracket and frame applications
- Corrosion resistant silver finish maintains appearance over time
- Uniform 12 x 12 x 3mm x 1m standard dimensions
- Efficient material utilisation contributes to reduced weight and cost
- Reliable performance suited to diverse construction and mounting tasks

Product Code: 6751
