

Metal Mate 25 x 25 x 3mm x 1m Aluminium Equal Angle

METAL DIMENSIONS

Description

Metal Mate 25 x 25 x 3mm x 1m Aluminium Equal Angle is designed for reliable performance in metal fabrication and construction applications. The product features a robust L-shaped design crafted from high-quality aluminium with a consistent silver finish, providing dependable structural support. It delivers precise joining solutions for metal frameworks and assembly tasks, offering technical advantages that meet the needs of trade professionals seeking accuracy and stability in their projects.

Features

- Constructed from durable aluminium for extended reliability
- L-shaped design offers stable support and structure
- Precise dimensions provide consistent fit in assemblies
- Silver finish enhances appearance and corrosion resistance
- Robust equal angle profile built with strict tolerances
- Versatile sizing accommodates custom technical applications
- Precision machining ensures consistent dimensions and quality
- Easy integration into structures with minimal fabrication time

Product Code: 6755

General

Product Type Equal Angles

Appearance

Product Shape L-Shaped

Product Colour Silver

Construction

Product Material 1 Aluminium

Dimensions

Product Thickness (mm)	3
Product Height (mm)	25
Product Width (mm)	25
Product Length (mm)	1000
