

Metal Mate 40 x 40 x 3mm x 1m Aluminium Equal Angle

METAL DIMENSIONS

Description

Metal Mate 40 x 40 x 3mm x 1m Aluminium Equal Angle is a silver L-shaped component crafted from aluminium, offering a reliable solution for precise structural applications in industrial and trade settings. Its uniform dimensions and solid construction enhance compatibility with various assembly systems, supporting secure and efficient installations. The straightforward design contributes to ease of use in projects requiring durable, consistently engineered metal fixtures for dependable performance.

Features

- Constructed from aluminium for reliable lightweight strength
- L shaped design delivers uniform support and stability
- Precision dimensions ensure consistent engineering accuracy
- Silver finish resists corrosion and enhances visual appeal
- Ideal for creating stable frameworks in architectural applications
- Equal angle configuration supports precise connection and alignment
- Manufactured by Metal Mate with detailed craftsmanship
- Easy integration into diverse structural trade projects

Product Code: 6757

General

Product Type Equal Angles

Appearance

Product Shape L-Shaped

Product Colour Silver

Construction

Product Material 1 Aluminium

Dimensions

Product Thickness (mm)	3
Product Height (mm)	40
Product Width (mm)	40
Product Length (mm)	1000
