

Metal Mate 12 x 12x1.4mm x 1m White Aluminium Equal Angle

METAL DIMENSIONS

Description

Metal Mate 12 x 12x1.4mm x 1m White Aluminium Equal Angle is designed for precise structural assemblies used in various commercial projects. This L-shaped equal angle provides consistency and durability for framing and support systems. Crafted from aluminium, it offers corrosion resistance and a stable fit in fabrication and construction tasks. Its white finish ensures a clean, professional appearance, delivering dependable performance for trade professionals.

Features

- White powder-coated finish enhances visibility and durability
- Aluminium construction offers lightweight yet robust structural support
- Equal angle design simplifies accurate framing and support installation
- L-shaped cross-section facilitates precise right angle setups
- Dimensions: 12 x 12 mm and 1.4 mm wall thickness
- One metre length supports diverse assembly and installation methods
- Engineered precision ensures quality performance in repetitive tasks
- Trusted Metal Mate brand backs reliable technical construction

Product Code: 6765
