

Metal Mate 20 x 20 x 1.5mm x 1m White Aluminium Equal Angle

METAL DIMENSIONS

Description

Metal Mate 20 x 20 x 1.5mm x 1m White Aluminium Equal Angle is a precisely manufactured L-shaped equal angle designed for joining and supportive applications. Constructed from aluminium with a white finish, it offers consistent dimensions and a lightweight structure that supports accurate assembly. Its form and construction provide dependable performance and ease of fabrication for trade professionals, ensuring effective performance in various structural configurations.

Features

- Built from durable aluminium for dependable strength
- L-shaped design supports straightforward assembly
- Accurate 20x20x1.5mm dimensions with 1m length
- White finish maintains a clean and professional look
- Equal angles offer straightforward integration with structural frameworks
- Engineered for precise performance in construction applications
- Metal Mate design delivers consistent quality with minimal effort
- Engineered joins simplify complex fabrication tasks

Product Code: 6767

General

Product Type Equal Angles

Appearance

Product Shape L-Shaped

Product Colour White

Construction

Product Material 1 Aluminium

Dimensions

Product Thickness (mm)	1.5
Product Height (mm)	20
