

Metal Mate 30 x 30 x 1.5mm x 1m Black Aluminium Equal Angle

METAL DIMENSIONS

Description

Metal Mate 30 x 30 x 1.5mm x 1m Black Aluminium Equal Angle is an L-shaped equal angle fabricated from aluminium with a black finish. It is engineered for precise structural applications in assembly, fabrication and construction projects, providing reliability and exact dimensions for technical work. The product supports robust framework designs and meets the needs of professionals in trade and engineering sectors with its consistent performance and straightforward design.

Features

- Robust black aluminium construction ensures long-lasting strength
- L shaped design provides secure mounting and structural support
- Precision engineering for accurate, repeatable performance
- 30x30mm profile delivers balanced strength and stability
- 1.5mm thickness offers reliable load-bearing capability
- One metre length accommodates diverse application requirements
- Engineered for precision fit and durability
- Clean finish presents a professional, modern aesthetic

Product Code: 6772

General

Product Type Equal Angles

Appearance

Product Shape L-Shaped

Product Colour Black

Construction

Product Material 1 Aluminium

Dimensions

Product Thickness (mm)	1.5
Product Height (mm)	30
Product Width (mm)	30
Product Length (mm)	1000
