

Description

Metal Mate 50 x 50 x 3mm x 1m White Aluminium Equal Angle is engineered to offer reliable framing support and connection solutions for various trade applications. Constructed from durable white aluminium, its L-shaped design ensures precise alignment and secure fastening in component assembly. The product delivers consistent performance and ease of installation, making it a practical choice for professionals seeking accuracy and dependability in structural configurations.

Features

- L-shaped design for secure mounting and support
-
- Precision engineering with 50x50x3mm x 1m dimensions
-
- Powder coated white finish for a clean appearance
-
- Lightweight aluminium construction for ease of handling
-
- Uniform angle cross-section ensures balanced load distribution
-
- Versatile design facilitates integration in various structural projects
-

Product Code: 6780

General

Product Type Equal Angles

Appearance

Product Shape L-Shaped

Product Colour White

Construction

Product Material 1 Aluminium

Dimensions

Product Thickness (mm)	3
Product Height (mm)	50
Product Width (mm)	50
Product Length (mm)	1000
