

Description

Metal Mate 4 Way Connect-It Flat Joiner is an aluminium joiner with a black square design engineered for precision assembly tasks. It is intended for use in the creation of custom framework solutions, offering secure and straightforward connectivity. The joiner provides clear, reliable configurations that aid trade professionals in realising accurate setups, promoting efficiency and structural integrity in various assembly projects.

Features

- Square design ensures uniform joint alignment
- Durable aluminium construction provides long lasting reliability
- Black finish offers a neat appearance
- Precise geometry supports accurate assembly
- Flat joint design allows simple surface connections
- Engineered for secure and stable joining
- Reliable 4 way connection expands layout options
- Metal Mate quality supports precise technical applications

Product Code: 70009

General

Product Type Joiners

Appearance

Product Shape Square

Product Colour Black

Construction

Product Material 1 Aluminium
