

Description

Metal Mate 10 x 10 x 1.5mm x 3m Aluminium Channel is a silver-coloured U channel constructed from aluminium for precision assembly and fabrication tasks. It is engineered with consistent dimensions for applications that require reliable structural components. The channel facilitates accurate alignment and integration in projects, providing trade professionals with a secure, lightweight option that supports effective design and construction techniques while maintaining ease of handling and installation.

Features

- Manufactured from quality aluminium with robust U channel profile
- U channel shape offers precise alignment and load capacity
- Silver finish yields neat and modern appearance
- Standard dimensions 10 x 10 x 1.5mm with 3m length
- Precision manufacturing offers tight tolerances and consistency
- Lightweight design simplifies handling and installation
- Reliable performance in various practical applications
- Engineered for durability and dependable performance in use

Product Code: 7500
