

Description

Metal Mate 12 x 12 x 1.5mm x 3m Aluminium Channel is a U channel designed for precise mounting and framing applications in technical project settings. Manufactured from silver aluminium, it offers robust structural support and efficient integration into varied configurations. The product provides consistent performance for trade professionals requiring reliable, lightweight, and accurately dimensioned components for assembly tasks and bespoke installations.

Features

- Constructed from high-quality aluminium for lasting durability
- U profile provides rigid structure for secure installations
- Silver finish offers clean, modern aesthetic appeal
- Available in precise 12 x 12 x 1.5mm cross-section dimensions
- 3 metre length enhances flexibility in structural applications
- Easy integration with various building and fabrication systems
- Reliable and robust design supports practical installation requirements
- Engineered to provide consistent performance in diverse setups

Product Code: 7501

General

Product Type	Channels
Appearance	
Product Shape	U Channel
Product Colour	Silver

Construction

Product Material 1	Aluminium
