

Description

Metal Mate 25 x 25 x 3mm x 3m Aluminium Channel is a precise U channel product manufactured from aluminium with a silver finish. It provides dependable support and easy integration for technical projects and construction tasks. Designed for trade professionals, this channel features accurate dimensions and a consistent profile, allowing for straightforward assembly. Its robust design and clear construction details enhance reliability in various mechanical applications while offering a practical solution for secure structural mounting.

Features

- Robust aluminium construction offers lightweight and durable performance
- U channel design enables stable and versatile mounting
- Silver finish provides neat, standard appearance
- Precision machining ensures accurate dimensions
- 25 x 25 x 3mm cross-section supports robust structural load
- 3 metre length reduces assembly joints
- Engineered for reliable, enduring performance
- Ideal for custom assembly and practical fixture solutions

Product Code: 7509
