Metal Mate 16 x 16 x 1.5mm x 2.4m Aluminium Channel

Description

Metal Mate 16 x 16 x 1.5mm x 2.4m Aluminium Channel is a u channel precision-fabricated from high-grade aluminium with a reliable silver finish. Its design facilitates secure mounting and efficient assembly, providing stable support for various technical installations. The component delivers consistent performance and exact dimensions, offering practical benefits to trade professionals engaged in engineering and commercial projects requiring dependable structural solutions.

Features

- Precise 16 x 16mm profile for accurate alignment
- 1.5mm thickness delivers strength and rigidity
- 2.4 metre length accommodates extended applications
- Fabricated from durable, lightweight aluminium for easy handling
- U channel design ensures straightforward mounting and integration
- Precision manufacturing guarantees reliable, repeatable performance
- Sleek silver finish complements varied project aesthetics
- Metal Mate assurance reflects quality and practical functionality
