Metal Mate 10 x 10 x 1.5mm x 1m Aluminium Channel

Description

Metal Mate 10 x 10 x 1.5mm x 1m Aluminium Channel is a robust U channel constructed from high-quality aluminium with a consistent silver finish. It provides a reliable solution for precise alignment and secure fixation during assembly tasks. Designed with exact dimensions for seamless integration, the channel enhances structural integrity and facilitates efficient connections. This component offers dependable performance and ease of use, making it valuable for trade professionals focused on practical and technical applications.

Features

- Constructed from durable aluminium
- U channel profile ensures even load distribution
- Precision dimensions at 10 x 10 mm and 1m length
- 1.5 mm wall thickness enhances strength
- Sleek silver finish creates a clean aesthetic
- Engineered for precise alignment during installation
- Versatile design suits varied installation requirements
- Manufactured by Metal Mate for reliable performance
