

Description

Metal Mate 60 x 3.0mm x 3m Aluminium Section Fluted Strip is a precisely engineered silver, aluminium flat strip designed for technical projects that demand reliable alignment and smooth installation. Its fluted design contributes to consistent performance and enhanced rigidity, making it a dependable element for precision work. Trade professionals appreciate the section for its practical applications, ease of handling, and the efficient installation process it offers in various assembly and structural tasks.

Features

- Constructed from aluminium for strength and stability
- Fluted surface improves grip and installation ease
- Flat strip design promotes neat and precise alignment
- 60 x 3.0mm x 3m dimensions for versatile application options
- Silver colour adds a sleek modern finish
- Metal Mate quality ensures reliable application performance
- Robust build suited for varied structural assemblies
- Precision engineered dimensions support accurate component fitting

Product Code: 8504

General

Product Type Fluted Strips

Appearance

Product Shape Flat Strip

Product Colour Silver

Construction

Product Material 1 Aluminium

Dimensions

Product Thickness (mm)	3
Product Height (mm)	60
Product Width (mm)	3
Product Length (mm)	3000
