

Metal Mate 27.95 x 12.7 x 1.7mm x 3m White Aluminium Section Sail Track

Description

Metal Mate 27.95 x 12.7 x 1.7mm x 3m White Aluminium Section Sail Track is a precision-engineered product designed for efficient sail alignment and adjustment. Its white aluminium composition and round design offer a robust solution for managing sail configurations with accuracy and durability. Trade professionals benefit from its ease of installation and reliable performance, which supports seamless integration into systems requiring clear, technical positioning and measurement precision.

Features

- Constructed from premium aluminium for long service life
- Round shape enhances load distribution
- White finish complements modern architectural aesthetics
- Precise 27.95x12.7x1.7mm x3m dimensions ensure accurate installation
- Robust design supports secure sail fixation
- Efficient installation simplifies system integration
- Engineered for reliable performance in demanding conditions
- Low friction surface ensures smooth track movement

Product Code: 8513

General

Product Type Sail Track

Appearance

Product Shape Round

Product Colour White

Construction

Product Material 1 Aluminium

Dimensions

Product Thickness (mm) 1.7

Product Height (mm) 27.95

Product Width (mm) 12.7

Product Length (mm) 3000
