

Description

Metal Mate 46 x 15.6mm x 3m Aluminium Stair Nosing is a precisely engineered staircase component utilising silver aluminium in an L-shaped design. It delivers clear edge definition, enhancing stair alignment and installation efficiency for trade professionals. The stair nosing is manufactured to high technical standards, providing durability and ease of application while supporting seamless building processes and effective stair finishing.

Features

- Sturdy aluminium construction offers long lasting durability
- L shaped design simplifies stair edge installation
- Precision dimensions ensure a secure fit
- Silver finish provides a clean modern appearance
- Optimised profile supports consistent stair performance
- Simple installation enables swift application on stairs
- Enhanced visibility for steps improves user safety
- Engineered aluminium alloy endures high foot traffic

Product Code: 8517

General

Product Type Stair Nosings

Appearance

Product Shape L-Shaped

Product Colour Silver

Construction

Product Material 1 Aluminium

Dimensions

Product Thickness (mm)	3
Product Height (mm)	46
Product Width (mm)	15.6
Product Length (mm)	3000
