Metal Mate 19 x 19 x 1.57mm x 2.4m Aluminium Fluted Angle

Description

Metal Mate 19 x 19 x 1.57mm x 2.4m Aluminium Fluted Angle is a l-shaped stair nosing product crafted from aluminium with a silver finish. It is designed for secure stair installations, providing durability and precise engineering for reliable performance. Its fluted design enhances grip and stability, offering a practical solution for stair refurbishment and maintenance projects that require technical efficiency and consistent quality in everyday applications.

Features

- Constructed from robust aluminium and finished in silver
- L shaped design provides stable stair nosing for safe steps
- Precision engineered for accurate dimensional fit and alignment
- One piece aluminium construction enhances structural integrity
- Fluted surface delivers improved grip and step recognition
- Reliable metal finish supports demanding stair traffic
- Engineered dimensions of 19 x 19 and 1.57mm thick
- Standard 2.4m length streamlines inventory and installation
