

Description

Metal Mate 60 x 3.0mm x 1m Aluminium Section Fluted Strip is a flat strip engineered in aluminium with a fluted profile for enhanced rigidity and secure integration. It features a consistent silver finish and standard dimensions that support precision assembly tasks. Designed for trade professionals, the product offers reliable performance and ease of installation, allowing for effective load distribution and structural stability in varied technical applications.

Features

- Constructed from high-grade aluminium for lasting durability
- Precision fluted design enhances structural performance in installations
- Flat strip shape offers versatile application options
- Silver finish complements modern and clean aesthetics
- Accurate dimensions specified at 60 x 3.0mm x 1m
- Easy integration with precision engineered tolerances
- Metal Mate quality ensures reliable performance across projects
- Professional design supports straightforward handling and installation

Product Code: 8754

General

Product Type Fluted Strips

Appearance

Product Shape Flat Strip

Product Colour Silver

Construction

Product Material 1 Aluminium

Dimensions

Product Thickness (mm)	3
Product Height (mm)	60
Product Width (mm)	3
Product Length (mm)	1000
