

Description

Metal Mate 16mm x 1m Aluminium Round Solid is a quality bar formed of aluminium and finished in a bright silver colour. Designed for precision shaping and fabrication tasks, the round profile ensures ease of handling and dependable performance throughout various projects. Professionals benefit from its robust, lightweight structure for efficient assembly, repair, and custom works. Its technical design supports consistent functionality and reliability, adding practical value to everyday fabrication requirements.

Features

- High-quality aluminium ensures robust performance for technical projects
- Precision engineering offers uniform round shape and reliable dimensions
- Silver finish delivers appealing aesthetics and corrosion resistance
- Exact 16mm diameter and 1m length for consistent fabrication
- Smooth surface supports efficient machining and precise cutting
- Solid structure provides dependable strength for structural applications
- Engineered for precise tolerances in demanding technical work
- Metal Mate quality ensures reliable performance and trusted construction

Product Code: 8770

General

Product Type Solid Round Bars

Appearance

Product Shape Round

Product Colour Silver

Construction

Product Material 1 Aluminium
