

Description

Metal Mate 25mm x 1m Aluminium Round Solid is a precision-engineered, silver aluminium round bar designed for accurate fabrication and general construction applications. It provides consistent performance with uniform cross-section and smooth finish, assisting trade professionals in creating reliable structural components and mechanical parts. The product’s technical design promotes stability, ease of handling and versatility, supporting accurate fitting and optimal production efficiency across diverse projects.

Features

- Constructed from premium aluminium for reliable durability
- Solid round design ensures uniformity in fabrication
- Precision machining delivers consistent dimensions every time
- Smooth silver finish offers a refined, clean appearance
- Easily integrated into numerous practical technical projects
- Available in standard 25mm by 1m dimensions for consistency
- Engineered for high performance in demanding fabrication tasks
- Metal Mate quality builds trust among experienced professionals

Product Code: 8771

General

Product Type Solid Round Bars

Appearance

Product Shape Round

Product Colour Silver

Construction

Product Material 1 Aluminium

Dimensions

|                        |      |
|------------------------|------|
| Product Thickness (mm) | 25   |
| Product Height (mm)    | 25   |
| Product Width (mm)     | 25   |
| Product Length (mm)    | 1000 |
