

Description

Metal Mate 25mm x 1m Aluminium Square Solid is a solid square bar manufactured from durable aluminium. It offers reliable performance for fabrication, machining and construction projects, ensuring precision and repeatability in technical applications. The silver finish provides a clear, clean appearance that facilitates easy identification. Designed for trade professionals, this component delivers efficiency and consistency, making it a dependable choice for various production and assembly tasks.

Features

- Durable aluminium construction with solid square profile
- Precisely machined for accurate dimensions and straight edges
- Attractive silver finish for a professional appearance
- Versatile solid bar suited for various fabrication projects
- Consistent quality provided by Metal Mate manufacturing
- Reliable performance in demanding technical applications
- Robust material offering excellent structural integrity
- Easy to cut and machine for custom dimensions

Product Code: 8774

General

Product Type Solid Square Bars

Appearance

Product Shape Square

Product Colour Silver

Construction

Product Material 1 Aluminium

Dimensions

Product Thickness (mm)	25
Product Height (mm)	25
Product Width (mm)	25
Product Length (mm)	1000
