

Metal Mate 25.4 x 25.4 x 1.2mm x 1.8m Anodised Aluminium Connect-It Square Tube - 1800mm

Description

Metal Mate 25.4 x 25.4 x 1.2mm x 1.8m Anodised Aluminium Connect-It Square Tube - 1800mm provides a precise square aluminium tube designed for accurate assembly projects. Its anodised finish ensures durability and a consistent appearance. It serves as a reliable component for creating robust frameworks, offering straightforward integration in diverse construction or fabrication tasks. The product's measured dimensions and quality material deliver dependable performance for trade professionals seeking effective structural solutions.

Features

- Anodised aluminium construction provides durability and corrosion resistance
- Square shape ensures precise alignment and consistent connections
- Uniform dimensions facilitate precision assembly and accurate fit
- Available in a silver finish for a clean aesthetic
- Connect It design supports modular integration across varied systems
- Precision dimensions 25.4 x 25.4 x 1.2mm ensure accurate alignment
- Extended length of 1800mm enables flexible layout configurations
- Engineered tube design simplifies on-site handling and installation

Product Code: 9104

General

Product Type Connect It Squares

Appearance

Product Shape Square

Product Colour Silver

Construction

Product Material 1 Aluminium

Dimensions

Product Thickness (mm)	1.2
Product Height (mm)	25.4
Product Width (mm)	25.4
Product Length (mm)	1800
