

Metal Mate 25.4 x 25.4 x 1.2mm x 0.6m Black Anodised Aluminium Connect-It Square Tube - 600mm

Description

Metal Mate 25.4 x 25.4 x 1.2mm x 0.6m Black Anodised Aluminium Connect-It Square Tube - 600mm is a precision-engineered square tube designed for use in modular assemblies and constructing reliable frameworks. Its black anodised aluminium construction offers durability and consistent performance, ensuring repeatable accuracy. Trade professionals benefit from its exact dimensions and straightforward assembly, making it a practical component in custom configurations and technical applications.

Features

- Anodised aluminium construction ensures lasting durability
- Precision square shape supports accurate alignment
- Modular design simplifies secure assembly
- Black finish enhances wear resistance
- Compact dimensions allow for precise installation
- Engineered for secure connectivity in systems
- Rigid structure maintains integrity under load
- Standardised measurements facilitate predictable design integration

Product Code: 9201

General

Product Type Connect It Squares

Appearance

Product Shape Square

Product Colour Black

Construction

Product Material 1 Aluminium

Dimensions

Product Thickness (mm) 1.2

Product Height (mm) 25.4

Product Width (mm) 25.4

Product Length (mm) 600
