

Metal Mate 25.4 x 25.4 x 1.2mm x 1.8m Black Anodised Aluminium Connect-It Square Tube - 1800mm

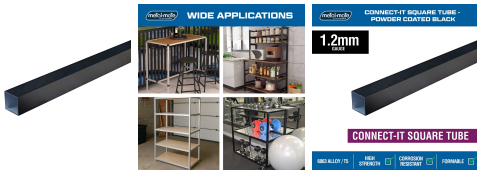

Description

Metal Mate 25.4 x 25.4 x 1.2mm x 1.8m Black Anodised Aluminium Connect-It Square Tube - 1800mm is a precision-engineered connector constructed from anodised aluminium. Its square design facilitates secure joint connections for building frameworks in technical applications. Designed to meet the needs of industrial and trade professionals, it offers durability, accurate fitment and ease of assembly. The black finish provides a consistent, professional appearance that supports reliable structural integration.

Features

- Anodised aluminium construction for durability and weather resistance
- Square shape provides precise alignment in structures
- Low profile design aids neat integration in assemblies
- Compact dimensions enable efficient space utilisation in frameworks
- Connects securely with modular structures
- Precision machined dimensions ensure consistent fit
- Easy integration into custom configurations
- Robust finish maintains aesthetic appeal under routine handling

Product Code: 9204

General

Product Type Connect It Squares
