

# Metal Mate 25.4 x 25.4 x 1.2mm x 0.45m White Aluminium Connect-It Square Tube - 450mm

## METAL DIMENSIONS

### Description

Metal Mate 25.4 x 25.4 x 1.2mm x 0.45m White Aluminium Connect-It Square Tube - 450mm is a precision-engineered square tube designed for secure and consistent connections. Crafted from white aluminium, it provides durability and stability for accurate alignment and assembly in technical configurations. Its robust design assists trade professionals in creating reliable frameworks, ensuring ease of installation and integration in various applications while maintaining clear and straightforward functional benefits.

### Features

- Square profile maximises connectivity for modular constructions
- High-strength white aluminium ensures long-lasting performance
- Precision-engineered for accurate and stable assemblies
- Reliable Connect It design facilitates efficient setup
- Compact dimensions enable versatile assembly configurations
- Lightweight construction aids in easy handling and transport
- Precise tube dimensions ensure tight component interfaces
- Simple design reduces time and cost for assemblies

Product Code: 9500

### General

Product Type Connect It Squares

### Appearance

Product Shape Square

Product Colour White

### Construction

Product Material 1 Aluminium

### Dimensions

|                        |      |
|------------------------|------|
| Product Thickness (mm) | 1.2  |
| Product Height (mm)    | 25.4 |
| Product Width (mm)     | 25.4 |
| Product Length (mm)    | 450  |

|         |                |              |                      |            |             |              |                    |
