

Metal Mate 25.4 x 25.4 x 1.2mm x 0.6m White Aluminium Connect-It Square Tube - 600mm

METAL DIMENSIONS

Description

Metal Mate 25.4 x 25.4 x 1.2mm x 0.6m White Aluminium Connect-It Square Tube - 600mm. This white aluminium tube is precisely engineered for creating secure mechanical connections in various structural assemblies. Its uniform square shape provides consistency and ease of use for trade professionals who require dependable, technical components. The robust construction and measured dimensions offer clear advantages in constructing frames and supports that prioritise accuracy and straightforward assembly.

Features

- Constructed from durable aluminium for reliable long-term performance
- Square shape provides efficient alignment and stable connectivity
- Precision engineered to ensure secure, accurate connections in systems
- White finish delivers clean, professional appearance in installations
- Precise cross-section dimensions improve compatibility with modular components
- 600mm tube length enables versatility across structural applications
- Consistent performance designed for straightforward installation in various systems
- Engineered for precision, fit and reliable operational efficiency

Product Code: 9501

General

Product Type Connect It Squares

Appearance

Product Shape Square

Product Colour White

Construction

Product Material 1 Aluminium

Dimensions

Product Thickness (mm)	1.2
Product Height (mm)	25.4
Product Width (mm)	25.4
Product Length (mm)	600
