

Carinya 125 x 100mm Black Heavy Duty Angle Bracket

BRACKET DIMENSIONS

Product Code: AB1256

Description

Carinya 125 x 100mm Black Heavy Duty Angle Bracket is a robust component constructed from powder coated steel, providing stable support for fixed-angle applications. Suitable for tasks that demand precise alignment and strength, it is engineered to support secure structural connections and facilitate efficient assembly processes. Trade professionals benefit from its consistent performance and durable construction, ensuring reliable outcomes across a range of technical applications.

Features

- Made of powder coated steel for sturdy support
- Heavy duty angle bracket design ensures reliable fixation
- Black powder coat finish adds corrosion resistance and durability
- Precisely engineered for secure load bearing and reinforcement
- Easily installed bracket for efficient assembly and modification
- Robust construction withstands demanding operational requirements
- Designed for a precise fit in versatile applications
- Provides stable angle support for secure connection integrity
