Carinya 175 x 150mm Black Angle Bracket

BRACKET DIMENSIONS

Description

Carinya 175 x 150mm Black Angle Bracket is a robust component made from powder coated steel in a refined black finish. It offers dependable support for fixed structures and secure connections, contributing practical strength and durability to engineering assemblies. The precise dimensions provide a balanced solution for trade professionals requiring effective joint reinforcement and improved load distribution in their projects.

Features

- Powder coated steel construction for enhanced durability
- Clean black finish for a sleek, professional appearance
- Designed for strong structural support in various applications
- Precise dimensions ensure reliable installation every time
- Robust and engineered for long-lasting performance
- Simple installation for efficient mounting on projects
- Practical design for reliable load-bearing support
- Trusted Carinya quality and precision engineering built to last

Product Code: AB1756

Dimensions

Product Length (mm)	175
Product Width (mm)	150
Product Height (mm)	25
Product Thickness (mm)	6
Diameter of Fixing Holes (mm)	6.7

Weights

Load Capacity (kg)	100.0

Appearance

Product Colour	Black

Construction

Product Material 1	Powder Coated Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
