Carinya 250 x 200mm White Angle Bracket

BRACKET DIMENSIONS

Description

Carinya 250 x 200mm White Angle Bracket is manufactured from powder coated steel and presented in a white finish. It offers a dependable solution for precise angular reinforcement in various framework applications. Its engineered design facilitates accurate alignment and secure attachment between structural members, making it an essential component for trades professionals requiring reliable components. The robust construction and quality finish provide a cost-effective and durable option for demanding projects across commercial and trade sectors.

Features

- Constructed from high-strength powder coated steel
- White finish for a professional appearance
- Provides secure 90 degree angle support
- Engineered for precise and stable reinforcement
- Designed for efficient installation and mounting
- Delivers robust load-bearing performance for demanding use
- Compatible with various hardware for enhanced mounting
- Proven reliability in rigorous technical applications

Product Code: AW2506

Dimensions

Product Length (mm)	250
Product Width (mm)	200
Product Height (mm)	25
Product Thickness (mm)	6
Diameter of Fixing Holes (mm)	6.7

Weights

Load Capacity (kg)	50.0

Appearance

Product Colour	White

Construction

Product Material 1	Powder Coated Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
