Carinya 100 x 75mm Zinc Plated Heavy Duty Angle Bracket

Description

Carinya 100 x 75mm Zinc Plated Heavy Duty Angle Bracket is a precisely engineered component made from high-grade steel with a zinc plated finish. It is designed for accurate alignment and firm support in demanding constructions and installations. The bracket delivers robust performance and consistent reliability for professionals managing trade and fabrication tasks. Its construction and finish provide dependable durability, ensuring secure connections in practical applications where precision and strength are essential.

Features

- Robust steel construction for high durability and strength
- Zinc plated finish enhances corrosion resistance
- Designed for secure mounting at 100 x 75mm dimension
- Heavy duty design provides extra support
- Engineered with precision for reliable consistent performance
- Simple installation with practical design features
- Professional quality meets technical specifications with proven design
- Durable bracket delivers dependable support in demanding applications

Product Code: AZ07P

Dimensions

Product Length (mm)	100
Product Width (mm)	75
Product Height (mm)	20
Product Thickness (mm)	4
Diameter of Fixing Holes (mm)	6.6

Weights

Load Capacity (kg)	150.0

Appearance

Product Colour	Zinc Plated

Construction

Product Material 1	Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
