Carinya 50 x 50 x 50 x 3.5mm Stainless Steel Reinforcing Angle Bracket

BRACKET DIMENSIONS

Description

Carinya 50 x 50 x 50 x 3.5mm Stainless Steel Reinforcing Angle Bracket is manufactured from stainless steel with a brushed finish. It is designed for secure reinforcement in structural assemblies, providing consistent support and precise alignment for load distribution. The bracket is built to serve trade professionals in construction and fabrication tasks by offering an effective solution for strengthening connections in various framework applications.

Features

- Brushed stainless steel finish enhances durability
- Reinforcing design supports secure and stable fixings
- Compact dimensions: 50 x 50 x 50 with 3.5mm wall
- Precision engineering assures consistent fit in varied assemblies
- Engineered for strength to support heavy load applications
- High-grade stainless steel resists corrosion and wear
- Simple installation facilitates efficient attaching and assembly
- Flush finish supports neat, secured and aligned fixings

Product Code: B00069

Dimensions

Product Length (mm)	50
Product Width (mm)	50
Product Height (mm)	50
Product Thickness (mm)	3.3
Diameter of Fixing Holes (mm)	6.9

Appearance

Product Colour	Brushed Stainless Steel

Construction

Product Material 1	Stainless Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
