Carinya 125 x 100mm Stainless Steel Heavy Duty Angle Bracket

BRACKET DIMENSIONS

Description

Carinya 125 x 100mm Stainless Steel Heavy Duty Angle Bracket is engineered from high-quality brushed stainless steel to offer durability and dependable strength. It is designed to provide secure mounting and reinforcement in various construction and maintenance projects. With precise dimensions, this bracket supports accurate assembly and reliable performance for professionals. Its robust design helps ensure consistent results, making it a practical component for projects requiring precise, efficient fixing solutions.

Features

- Durable brushed stainless steel construction
- Engineered with precise 125 x 100mm dimensions
- Heavy duty design ensures strong structural support
- Robust bracket delivers stable and reliable reinforcement
- Compact dimensions suit tight installation spaces
- Engineered for secure fixing with precise tolerances
- Simple design supports easy and accurate installation
- High quality finish maintains appearance under demanding conditions

Product Code: B00072

Dimensions

Product Length (mm)	125
Product Width (mm)	100
Product Height (mm)	30
Product Thickness (mm)	4.7
Diameter of Fixing Holes (mm)	6.9

Weights

Load Capacity (kg)	200.0

Appearance

Product Colour	Brushed Stainless Steel

Construction

Product Material 1	Stainless Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
