

Product Code: B00073

Description

Carinya 175 x 150mm Stainless Steel Angle Bracket is designed with brushed stainless steel for clarity of finish and robust construction, providing secure support for various applications. The precise dimensions enable consistent fit, optimising stability and ease of assembly whilst offering enhanced load-bearing properties. These angle brackets provide practical technical benefits to professionals in trade, ensuring reliable performance and simplicity in integration with existing systems.

Features

- Precisely machined stainless steel for durability and reliability
- Brushed finish offers professional modern appearance and corrosion resistance
- Robust build ensures secure fixing in demanding installations
- Precision engineered dimensions for accurate component alignment
- Designed for stability in varied assembly conditions
- Superior corrosion resistance ensures enduring attractive finish
- Manufactured in true stainless steel for robust performance
- Precise 175 x 150mm design meets diverse technical requirements
