Carinya 190 x 190mm White Triangle Stayed Bracket

BRACKET DIMENSIONS

Description

Carinya 190 x 190mm White Triangle Stayed Bracket is designed to provide secure support in construction and assembly tasks. Manufactured using powder coated steel, this white bracket ensures durability and accurate dimensional stability. It features a triangle stayed design with integrated supports for added strength, enhancing the reliability and ease of installation. Its robust build and precise dimensions deliver consistent performance and efficiency for professionals in industrial and trade settings.

Features

- Powder coated steel ensures extended corrosion resistance and durability
- White finish presents a clean, professional appearance
- Robust angle bracket supports secure fastening in applications
- 190 x 190mm size suits various structural configurations
- Precision engineering maximises performance and user satisfaction
- Stable triangle design ensures reliable load transfer and anchoring
- Quality construction from carefully selected powder coated steel
- Carinya bracket delivers a precision fit for practical installations

Product Code: B00080

Dimensions

Product Length (mm)	191
Product Width (mm)	191
Product Height (mm)	25
Product Thickness (mm)	2
Diameter of Fixing Holes (mm)	4.8

Weights

Load Capacity (kg)	100.0

Appearance

Product Colour	White

Construction

Product Material 1	Powder Coated Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
