

Product Code: B00081

Description

Carinya 240 x 240mm White Triangle Stayed Bracket is manufactured from powder coated steel to ensure durability and a refined finish. It provides a secure support solution for various structural installations, assisting trade professionals in achieving consistent performance. The bracket's triangular design optimises load distribution and facilitates straightforward installation while reliably maintaining support where precise fittings are required for efficient project outcomes.

Features

- Durable powder coated steel bracket design
- Triangular form factor enhances load distribution
- White finish for a clean, modern aesthetic
- Precisely sized at 240 x 240 mm
- Engineered for reliable fixed bracket performance
- Manufactured to deliver long lasting durability
- Supports secure installation and structural integrity
- Trusted Carinya quality backed by proven design
