

Product Code: B00082

Description

Carinya 190 x 190mm Black Triangle Stayed Bracket is a practical component designed for structural support applications in assembly and trade projects.

Manufactured by Carinya, this stayed bracket is crafted from powder coated steel, providing durability and consistent performance. Its simple yet effective design and black finish offer a reliable solution for securing structures in settings where precision and strength are essential for quality construction and maintenance tasks.

Features

- Constructed from high-strength powder coated steel
- Precision engineered for secure stable bracket installation
- 190 x 190mm design offers versatile application options
- Sleek black finish provides a uniform neat appearance
- Triangle support shape enhances load distribution across brackets
- Engineered for reliable performance under consistent load conditions
- Carinya quality ensures dependability in everyday installations
- Powder coated steel finish provides long-lasting corrosion resistance
