Carinya 240 x 240mm Black Triangle Stayed Bracket

BRACKET DIMENSIONS

Description

Carinya 240 x 240mm Black Triangle Stayed Bracket is manufactured from powder coated steel, offering a robust solution for securing and supporting diverse structural assemblies. Its triangular design provides enhanced stability and precise alignment, making it ideal for use by trade professionals in assembly and maintenance projects. The bracket facilitates efficient installation and reliable performance, ensuring that technical requirements are met consistently.

Features

- Powder coated steel construction ensures durability
- Sturdy design provides reliable structural support
- Precise dimensions for consistent installation accuracy
- Black finish complements various architectural designs
- Engineered bracket meets practical installation requirements
- Compact size facilitates tight spatial integration
- Simplified design supports straightforward system assembly
- Reliable performance backed by Carinya brand quality

Product Code: B00083

Dimensions

Product Length (mm)	240
Product Width (mm)	240
Product Height (mm)	25
Product Thickness (mm)	2
Diameter of Fixing Holes (mm)	4.5

Weights

Load Capacity (kg)	100.0

Appearance

Product Colour	Black

Construction

Product Material 1	Powder Coated Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
