

Carinya 250 x 195mm White Heavy Duty Circle Stayed Bracket

BRACKET DIMENSIONS

Description

Carinya 250 x 195mm White Heavy Duty Circle Stayed Bracket is made from powder coated steel and features a white finish that integrates seamlessly in technical setups. It is designed for applications that require secure physical support and precision alignment. The bracket provides a practical solution for trade professionals, allowing for dependable performance and straightforward installation in various settings requiring reliable load distribution and robust connection points.

Features

- Constructed from durable powder coated steel
- White finish provides clean robust appearance
- Heavy duty design supports secure load distribution
- 250 x 195mm dimensions ensure accurate reliable mounting
- Circle stayed design delivers enhanced structural integrity
- Engineered for high performance and durability
- Robust construction minimises need for frequent maintenance
- Reliable support for demanding applications

Product Code: B00102

Dimensions

Product Length (mm)	250
Product Width (mm)	195
Product Height (mm)	29
Product Thickness (mm)	4
Diameter of Fixing Holes (mm)	4.6

Weights

Load Capacity (kg)	200.0
--------------------	-------

Appearance

Product Colour	White
----------------	-------

Construction

Product Material 1	Powder Coated Steel
--------------------	---------------------

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
