

Product Code: B00110

Description

Carinya 200 x 200mm Black Euro Bracket is a durable mounting solution crafted from powder coated steel in a black finish. It offers a reliable method for securing components and is designed with a standard Euro bracket profile to support a variety of precise installations. Its robust construction provides technical advantages by ensuring stability and ease of integration, benefiting trade professionals in maintenance, construction, and similar applications.

Features

- Powder coated steel enhances longevity and visual consistency
- Robust black finish for aesthetic integration with various panels
- Precision engineered for secure and accurate mounting
- 200 x 200mm dimensions suit diverse installation requirements
- Simple design facilitates straightforward installation and maintenance
- Durable construction offers robust support for heavy loads
- Reliable bracket secures attachments for dependable fixture performance
- Engineered with precision for long lasting structural integrity
