

Product Code: B00111

Description

Carinya 300 x 300mm Black Euro Bracket is constructed from powder coated steel and features a black finish designed for secure support in mounting applications. It is engineered for precision fit and reliable performance, offering a straightforward solution for professionals managing installation requirements in trade and construction environments. The bracket's utilitarian design and robust build provide a practical, cost-effective choice for reliable load distribution.

Features

- Robust powder coated steel construction for lasting durability
- Precision engineered for secure and reliable Euro bracket support
- Sleek black finish that complements modern industrial interiors
- Designed for efficient mounting and robust space utilisation
- Engineered to precise dimensions for a 300 x 300mm frame
- Durable powder coated finish withstands harsh handling and wear
- Dependable fixings streamline installation and maximise structural integrity
- Trusted Euro bracket from Carinya for robust support configurations
