Carinya 315 x 145mm White Folding Spring Loaded Bracket

BRACKET DIMENSIONS

Description

Carinya 315 x 145mm White Folding Spring Loaded Bracket is constructed from powder coated steel for enhanced durability and reliable performance. It offers secure support and controlled movement, utilising a spring loaded mechanism that enables precise adjustment. Designed for applications that demand dependable load-bearing capacity and ease of installation by trade professionals, this folding bracket provides practical mounting solutions and a clean white finish while maintaining consistent structural integrity.

Features

- Durable powder coated steel construction
- Folding mechanism provides efficient space saving design
- Spring loaded bracket ensures quick repositioning
- Compact design fits varying spatial requirements
- White finish offers a neutral aesthetic
- Engineered for precise and reliable support
- Simple installation with minimal adjustments
- Quality design ensures dependable operational performance

Product Code: B00156

Dimensions

Product Length (mm)	300
Product Width (mm)	145
Product Height (mm)	45
Product Thickness (mm)	1.5
Diameter of Fixing Holes (mm)	5.8

Weights

Load Capacity (kg)	50.0

Appearance

Product Colour	White

Construction

Product Material 1	Powder Coated Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
