

Carinya 185 x 185mm Black Lipped Angle Bracket

BRACKET DIMENSIONS

Description

Carinya 185 x 185mm Black Lipped Angle Bracket is manufactured from powder coated steel to provide precise angular reinforcement and secure structural support. It features a black finish that complements professional workspaces and ensures consistent dimensional accuracy for reliable fittings. This bracket is designed for trade professionals seeking effective solutions for framing and mounting applications, offering dependable performance in practical assembly tasks and contributing to clear, efficient project outcomes.

Features

- Robust powder coated steel construction ensures stable support
- Size 185 x 185mm offers a balanced support profile
- Lipped design adds extra reinforcement to bracket structure
- Simple mounting design facilitates efficient bracket installation
- Black finish ensures clear visual identification
- Engineered for precise alignment in construction applications
- Brackets provide a rigid and dependable connection
- Versatile design fits multiple structural assembly needs

Product Code: B00200

Dimensions

Product Length (mm)	190
Product Width (mm)	185
Product Height (mm)	39
Product Thickness (mm)	6
Diameter of Fixing Holes (mm)	6.7

Weights

Load Capacity (kg)	100.0
--------------------	-------

Appearance

Product Colour	Black
----------------	-------

Construction

Product Material 1	Powder Coated Steel
--------------------	---------------------

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
